

EATON, O., AUG. 13, 1857.

FOR GOVERNOR, HENRY B. PAYNE, ·Of Cleveland

Our County Officers.

Much caballing is now going o among the several factions of the Black Republican ranks, as to who shall be the men to fill the County offices, becoming vacant this fall. We notice some two, if not three, private arrangements in regard to the Probate Judgeship, which are now in process of organization, on the sub rosa principle. This is an office of much trust and responsibility, much more so perhaps, than any other office in the county-an office too, which from its very nature, requires an occupant of unquestioned integrity. sound and comprehensive discretion, and of able and unmistakable legal attainments, to all of which must be added the qualifications and requisites of a thorough, efficient, and practical business man. Without these qualifications and attainments, no man can successfully fill this office and meet the wants of the people-he is a mere machinea great bore-a nuisance; and we say to the people of Preble county, suffer not yourselves to be deceived and cheat-Fitally concerns you, and one too, which it is hoped you will not fail to carefully examine. No man therefore, who cannot come before you well backed up and endorsed by the qualifications above described, should in our opinion, meet any consideration at your hands whatever; drop him as you would an infernal maor three anxious aspirants among our republican friends, who are now much more willing to fill the office, than they have been through their past lives to WHITMAN, of Fairfield, was nomina- when the vote was given.
